AN ACT to amend Tennessee Code Annotated, Section 7-82-501,  
relative to certain short-term borrowings by natural gas  
utility districts.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 7-82-501, is amended by inserting  
the following language as a new, appropriately designated subsection immediately following  
subsection (a) and by redesignating subsequent subsections accordingly:

( ) Any utility district which has the power and authority to operate a gas  
distribution system may borrow money in anticipation of the collection of revenues from  
such system and issue negotiable notes to evidence such borrowing for the purpose of  
financing gas purchases, including storage costs and pipeline capacity costs. Any such  
notes shall be secured solely by a pledge of and lien on the revenues of such system.  
The principal amount of notes which may be issued during any twelve (12) month period

notes issued during such period shall be retired and paid in full on or before the end of  
such period. The notes shall be sold in such manner, at such price and upon such terms  
and conditions as may be determined by the board of commissioners of the district  
issuing such notes. No notes shall be issued under this subsection unless the gas  
system for which the notes are to be issued has positive retained earnings as shown in
